PERFECT CONFIDENCE

Barre People Have Good Reason for
Complete Reliance.

Do you know how—
To find quick relief from backache;
To correct distressing urinary ills;
To surely cure sick kidneys.
Just one way—your neighbors
know—

Have used Doan's Kidney Pills;
Have proved their worth in many tests.
Here's Barre testimony.
Mrs. Daniel Ryan, 54 West street,
Barre, Vt., says: "Time has not changed
my opinion of Doan's Kidney Pills. Several
years ago I was hardly able to do my
housework on account of kidney
trouble. I had severe pains in my back,
headaches and terrible attacks of dis-
tress. My kidneys were in such a weak-
ened condition that any cold I caught
settled in them and aggravated the trouble.
I saw Doan's Kidney Pills advertised
and sent my daughter to E. A. Drown's
drug store for a box. This remedy
proved to be the one I needed and I
had not taken it long when the back-
ache ceased and the other symptoms of
my trouble gradually disappeared. I
know Doan's Kidney Pills to be a splen-
did remedy for any trouble arising from
the kidneys and will never tire of recom-
mending them."

For sale by all dealers. Price 50 cents.

AMUSEMENT NOTES

"Isle of Spice" Comes to Barre Opera
House Saturday Night.

With a story that abounds with
mirth-inspiring situations, witty dia-
logues and brilliant lyrics, Allen Lowe
and George E. Stoddard, the authors of
B. C. Whitney's piquant musical mix-
ture, the "Isle of Spice" have given to
the patrons of amusements one of the
most delightful entertainments that
have been presented. In the music the
composers, Paul Schneider and Ben M.
Jerome, have supplied a tuneful stimu-
lant that elevates the spirits of the

audience and stir them up to unbound-
ed enthusiasm, while the stage group-
ings and the work of the chorus lend
color to the production that has to be
witnessed to be thoroughly appreciated.

As the action takes place on an island
in the Japan sea with all its Oriental
wealth of scenery, ample opportunity is
given for the exercise of the producer's
skill in a lavish environment of pic-
turesque settings and spectacular elec-
trical appliances. The production is
specially arranged and produced under
the personal direction of Gus Solke,
one of the greatest masters of stage-
craft, who has been exclusively engaged
by Mr. Whitney for his numerous spec-
tacular productions. At the opera
house Saturday, October 2nd.

Bennett-Moulton Company.

These days of good, bad and indifferent
reputable companies, the public hardly
knows what to expect until after the
Monday or Tuesday night production,
but they are not in doubt when the Ben-
nett-Moulton company comes to cur-
rency, as the name Bennett-Moulton has
become a household word. It can be
truthfully said that they are the "Bar-
re" in reputation. The company is
backed by capital and brains and the
public know that they will make good
their promise. It has come to that pass
where the public expect a great deal
for 10, 20 and 30 cents and the manage-
ment of the excellent company have
put forth their best efforts, this season,
to please the fickle public. A special
feature with this company is its vari-
ous acts which are all high class and
much better than are usually found with
a repertoire company.

WILLIAMSTOWN

The patrons of our village creamery
received 32 cents as their last payment
for butter. Their next payment on Sat-
urday of this week is not likely to be
smaller.

The second annual grange fair here is
in progress at the new Grange hall. The
first one, last year, was a fine success,
but it is thought the present one may
outdo it.

Mrs. Harriet N. M. Parmeter, the
mother of Mrs. Henry Gould, has lately
had a stroke of paralysis that affects
one side of her body. She is in her 94th
year and is a pensioner of the war of
1812, in which her husband was a sol-
dier.

Prof. E. H. Ordway of Orleans, last
year principal of our high school, has
gone to Texas to work as an electrical
engineer, the profession for which he
is specially prepared in his college course
in the university of Vermont.

Rev. D. H. Strong, accompanied by his
wife, left the first of this week for his
annual vacation of a few weeks. His
headquarters are to be near Waterbury
Center during that time.

Miss Lucy D. Abbott of Dorset is
with her sister, Mattie, wife of Doctor
Edward Bailey of Okefield, N. Y.

Mrs. Dolphine White, widow of the
late Prescott F. Blanchard, is in a very
feeble condition at present. A daughter-
in-law is from Boston caring for her,
and she also has a nurse from abroad.

Miss Mattie Robinson has been so
poorly of late that her sister, Miss Bell
Robinson, has had to give up her work
in one of the departments of our graded
school. A Miss Hatch of Chelsea is tak-
ing Miss Robinson's place for a little
time.

John, son of Thomas Sheridan, has
lately visited Joe Edwards in Virginia.

Dr. Watson is about to transfer his
office to his house.

Marcus A. Burnham, son of the late
David Burnham and for years a prosper-
ous resident of Wisconsin, is visiting
relatives hereabouts.

Morton, son of Russell M. Jeffords, has
just entered Syracuse, N. Y., university,
where another of our worthy William-
stowners, Ed Clark of our quarry dis-
trict, is a sophomore.

An excellent course of lectures is being
planned for this fall and winter. Sea-
son tickets \$1.50. See Mrs. Marr for
details.

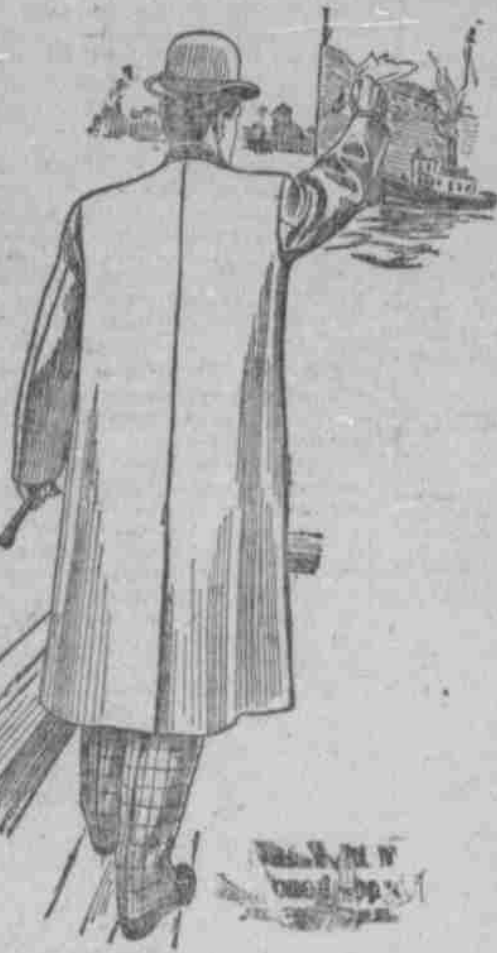

The Grange fair opened yesterday af-
ternoon with a fine variety of exhibits
and a good attendance, especially in the
evening. The supper and entertainment
were much enjoyed by all. More par-
ticulars later.

The Home Study club will hold its
first meeting of the year with Miss Myr-
le Sawyer, Saturday, Oct. 2.

TOO HIGH!

Some people have the idea that the cost of Electric Light
is too high—that it is expensive.

Look at it this way—If it is safer, cooler, cleaner and
more cheerful and convenient than any other illuminant, isn't
it worth more to you?

We can easily show you that our rates are fair as com-
pared with other cities and lower than in many. And our
service is constant and sure. The lights always burn.
